Nights In Looe

**All the things you can do In
Looe in the evening**

LOOE NIGHTS OUT

Food

Looe is a great place to have a meal out in the evening we have a large range of different types of restaurants, like Mexican, Indian, pub food, fish and chips, standard restaurants and a stake house. So what ever takes your fancy you can eat in Looe.

We have a range of adult and family friendly restaurants for what ever the occasion. There is also a range of different cost restaurants so no matter your budget you can still have a fantastic night out.

We are also know for our great fresh fish that comes in on regular bases straight in to our fishing town, and into the restaurants.

Drinks

Looe is also a great place to have a Night out with your friends. We have a great range of pubs and bars and even a club for when it gets later. Looe is known to be a great fun place to go when you want to go out and celebrate.

But you have to drink responsibly as it is still a town and we don't want people to be disturbed to much, but that doesn't mean you cant have fun. We also have a set law that means you cant drink on the beach as we don't want our lovely beach littered with cans and having the local wildlife endangered.

So with all with that in mind, please come and have a fantastic night out in our great pubs and have a fantastic time, but please drink responsibly.

Events

Looe has a great representation for it events for example our most popular event Looe music festival. Every year we host a great festival with a great range of acts, from The Darkness to The Selector.

We also hold a great fireworks display every year, that is held on the beach so people can bring there family to celebrate bonfire night.

We also have a great range of Christmas activities and events to make the people of our county get into the festive spirit.
